## Warm Welcome Given Gov. Stratton on 'Copter Visit Here, Lindenhurst

Governor William G. Stratton of Illinois and his wife received a warm welcome when they landed in the village parking lot west of Broadway in Antioch last Saturday morning.

The helicopter chartered by the governor and the Republican party which he represents on the November 8 ballot for the highest office in the state, was about 15 minutes late arriving.

However, few if any of the 250 or so men, women and children present had got tired of waiting and had left before he arrived.

### October 10 Last Day For Voter to Sign Up

Monday, October 10, will be the last day on which people may register for the Nov. 8 national, state and local election, chief deputy Lake county registrar, reminded people this week.

Registration hours will be 9 a.m. to 9 p.m. Thursday and Friday of this week and on Monday of next week, the final day. Saturday hours (October 8) will be from 9 a.m. to 5 p.m.

## 3 Area Youths Charged After Two Car Crash

Three Antioch area youths were to be charged with various offenses in connection with a crash involving the car in which they were riding and a heavy truck on route 173 near route 59 late last Thursday evening.

Antioch police chief Walter Scott filed charges of running a stop sign and improper lane usage.

Lake county sheriff's deputies said Thomas B. Ring, 19, of route 3, box 265, Antioch, also would be charged with reckless driving and drunk shop violation.

Frank Berger, 18, of route 2, box 277, Trevor, Wis., and Nick Ganzer, 18, of route 3, Channel Lake, Antioch, passengers in the Berger car, were charged with minor drinking offenses.

Scott reported an Antioch police patrol car chased the Berger vehicle for running a stop sign.

Ring and Berger were taken to Victory Memorial hospital in Waukegan and Ganzer was taken by the Antioch Rescue Squad to St. Therese hospital, Waukegan. Ganzer was thought to be the most seriously hurt.

Deputies Robert Gregory and Edward Wieting said the boys' car hit the truck almost head-on in attempting to pass another car. The auto turned out to the left, knocking the front axle out of the truck.

The chief of the traffic bureau of the Lake county sheriff's office, Deputy Harold Scheskie, reported the boys said they had each drunk a quart of beer obtained at a tavern.

Alex Morawez, 43, of Chicago, the truck driver, was not injured.

## Helen Nelson's Report Published on Page 13

Helen M. Nelson, treasurer for several schools in the Antioch area, this week is publishing her annual report of expenditures on page 13 of The Antioch News.

This covers school districts 27 (Hickory), 33 (Emmons), 34 (Antioch Community Grade school) and 35 (Channel Lake).

Her reports on Antioch Township high school district (36) and Grass Lake school district (117) will be published later.

She explained these are being published in accordance with state law as itemized reports and are not balanced reports.

## Christmas Fair Planned By Lions Club Nov. 27

The second annual Christmas fair sponsored by the Antioch Lions club will be held Sunday, November 27, in Antioch Township high school's boys gym from 2 to 10 p.m.

A pancake dinner is planned for the cafeteria that evening.

There will be various kinds of entertainment throughout the afternoon and evening.

Booth numbers are limited, Lions club members noted, and they urged all business houses interested in having one to contact Ralph Gressens at Modern Living store about space they need.

Areas will be sold on a first come, first served basis.

The Antioch News is your ONLY local NEWSpaper.

Many of those present to hear the governor be introduced by Rep. W. J. Murphy of the Antioch area wore buttons, and pins signifying they were backing the GOP ticket.

Cars parked around the perimeter of the parking lot and in the 2-hour parking area "wore" placards or stickers showing GOP loyalty.

The governor pointed out to the crowd what he said were accomplishments of his administration, including road improvements that have been made in this area.

He ripped into his opponent, Judge Otto Kerner, on several points.

Many of his points were greeted by much applause and some cheers from his audience.

Governor Stratton greeted many people in Antioch with a handshake and a few words. The Rhythm Kings, local dance band, provided music.

He was greeted by Antioch village officials as well as by a committee of local Republicans in charge of the event.

Antioch and Lindenhurst were just two of the places in Lake county where the helicopter made a landing last Saturday. Crowds were reported to vary in size but it was agreed a good size turnout showed up in Antioch.

From here the governor and his wife flew to Jacot farms on the Wadsworth road at Edic road for lunch and open house.

Earlier the party had stopped at the Linden Plaza shopping center at Lindenhurst for talks and personal greetings.

## Homecoming Plans Told

Planning and organization for the football Homecoming to be held at Antioch Township high school and in the village October 14 and 15 is well under way, those in charge reported this week.

The student council is in general charge of arrangements.

Council officers are Joe Etten, president; William Bonner, vice president; Kenneth Racine, treasurer; and Jill Anderson, secretary.

Harry Brown is faculty advisor. The following schedule has been set up:

Friday, October 14—Pep rally and bonfire at 8 p.m. at the school.

Saturday, October 15—Parade through downtown Antioch starting from high school at 10:30 a.m.; Sophomore football game with Round Lake at 12:30 p.m.; varsity game at 2:30 p.m.

Businesses and organizations in the community have been asked to take part in the parade and festivities.

A dance in the school gym from 8:30 to 11:30 Saturday evening will conclude the Homecoming activities.

The adult public as well as school students are invited to the dance.

## Planning Commission Named for Antioch

Five Antioch village residents and two members of the board of village trustees named by Mayor Murrill Cunningham to the village's first planning board will meet next Tuesday to study planning and zoning.

Named by Cunningham and approved by the trustees were George Palaske, Robert Wilton, Bruno Manzano, Elmer Renjner and Arthur Laursen, local businessmen, and trustees E. H. Glenn and Edmund F. Vos.

## Antioch Driver Hurt

An Antioch driver was charged with following another vehicle too closely last Thursday evening when his car and one being operated by Velma Summerford of Zion collided at the Milwaukee road crossing on route 173 near Zion.

Lake county sheriff's deputies reported that James L. Mowen of route 2, box 446, also was injured in the crash.

## Firemen to Battle Each Other In 'Water Fight' Here Sunday

GOVERNOR WILLIAM STRATTON is shown (standing in dark suit at left center) talking to a crowd of about 250 people in the Antioch village parking lot last Saturday morning during a whirlwind tour by helicopter around Lake County. While the crowd gathered slowly before the governor and Mrs. Stratton had arrived there were many cars waiting. Stratton backers called it a good turnout considering what they called a strong movement to back Otto Kerner in the Antioch area. ## Marking Time Found This Week On Page 8

The by-line column "Marking Time", found up to this time on page 2 (editorial page) of The Antioch News, will be found this week on the sports page (page 8) because baseball is the topic this time.

The column written by Antioch News Editor-Photographer Henry (Hank) Green this week covers major league players he has known, especially the "Earls of Snohomish," two of whom played for the Chicago White Sox in 1960.

## Fall Tea Scheduled by Lake Co. Demo Women

Mrs. Mary Keyserling, the distaff side of the well-known husband-wife team of Washington economists, will address the fall tea of the Lake County Regular Democratic Women's club in the home of Mrs. Howard Slater, 120 South Deer Park drive, Highland Park, from 3 to 5, Sunday, October 9.

Mrs. Keyserling is the joint author of several books on economics and at one time was chief of the international economics analysis division of the U. S. Department of Commerce.

Her husband, Leon Keyserling, was chairman of the council of economic advisers to President Harry Truman.

The tea is open to the public.

## More Adults Needed For Evening Classes

The call for men and women to register for an Adult Evening school at Antioch high school did not bring out enough Monday evening in either of four classes to make them worthwhile.

Ten were needed as a minimum in each class, school officials explained. Four registered for home ec. with millinery as the subject, three in typing, four in shop and two in international relations.

Anyone else interested in any one of these four classes is asked to contact the high school as there might still be enough people to get one started.

## Square Dance Club To Meet Wednesday

The Lake Promenaders Square Dance club of Grayslake is starting a class for beginners with Frank Walker of Chicago as the caller.

First meeting of the group will be held Wednesday at 8 p. m., at Grayslake high school. A series of 20 lessons is planned. A small fee will be charged.

There will be a square dance for the more advanced dancers on the first and third Saturdays of each month with the next one planned for November 5. Time for these will be 8:30 p.m.

The most complete photographic coverage of the Antioch area is found each week in The Antioch News.

## Wilmot High Addition Plan Again Defeated by Voters

WILMOT, Wis.—The vote margin was a bit closer than previously but still a proposition calling for a \$340,000 bond issue to finance an addition to Union Free high school at Wilmot lost before the voters Tuesday.

The vote this time was 442 in favor of the bond issue and 612 opposed.

A referendum in October 1959 voted the proposition down about 3-1. Two annual meetings, one in 1958 and another in 1959, also turned it down. The proposed addition was levied at \$300,000 in 1958 and 1959.

Members of the board of education at Wilmot high had pleaded last week for a "yes" vote on Tuesday. They cited figures they said showed the enrollment would jump to 435 in 1961-62 and to 514 by 1964-65. The student body totals 388 for 1960-61 and was but 159 in 1952-53.

These figures were based on enrollments at grade schools that feed Wilmot high school, including Cottage, Randall, Consolidated, Riverview, Trevor, Wilmot and also parts of Salem Consolidated, Wheatland Center and Holy Name Parochial.

There are now 1,100 students living in the high school district enrolled in these grade schools. Most of them will attend Wilmot high school.

The present building and the addition if it had been approved would have brought school facilities up to a level where it would meet the requirements for an enrollment of 500.

Seven academic classrooms, a library, a combined gym and auditorium, two home economics classrooms and one agriculture room would have been included.

Also there would have been one

## Ask Donations To Aid Blind

"Be thankful You Can See Week" will be observed in Antioch and vicinity starting October 9 through 15 by the Antioch Lions club through the placing of cans in the village in which contributions may be placed.

These small yellow and red colored containers are seen on counters and desks of many local businesses.

"Give to Help the Blind to Help Themselves," the containers say. This is a statewide drive by Lions clubs throughout the state of Illinois to provide funds for leader dogs, Hadley School for the Blind and other aid to the visually handicapped.

The week of October 9 to 15 has been designated by Governor William G. Stratton in proclamation as "Be Thankful You Can See Week" in Illinois.

Dr. Al Bucar is chairman of the Antioch Lions club committee in charge of the local drive.

multi-purpose room, three science classrooms, two industrial arts, three commercial, one music, one fine arts, a large lunchroom, student clinic, public coatroom, work rooms, office space and storage.

The additional tax caused by the bond issue would amount—on a home with a market value of \$10,000—to \$6 a year or less than 2 cents a day, the school board insisted.

## Final Rites For Shepard Oct. 1

Funeral services for Hanaford E. Shepard, a resident of Antioch until eighteen months ago, were observed Saturday, October 1, at the Strang Funeral home, Main street, Antioch.

A host of friends and acquaintances were saddened by his sudden passing, as he was very well known here, having been a resident from 1955 until 1958, and having spent much time and effort in promoting community and civic affairs.

He was an active member of the Antioch Lions club, and served as a director of the Antioch Lions club Community Service corporation for three years, acting in the capacity of publicity director.

His lifelong work was related to the manufacturing industry, and his record of achievement in his chosen field is an impressive one.

Beginning work in 1932 at Alemite Die Casting company, Woodstock, Ill., he steadily advanced until he left the company in 1942 to become plant manager of Rupert Die Casting company, Kansas City, Mo.

During his association with the company it has greatly expanded to now include a number of plants throughout the middle west. He had held many positions with the company and left Antioch in 1958 for Indianapolis, Ind., where he was engaged in setting up a central sales agency for Pierce Industries.

At the time of his death, he had been a vice-president and director of sales for the western division of that company.

Because of his long association with industry in the middle west and a wide acquaintanceship, a number of manufacturing executives from the mid-west attended the funeral.

Rev. Dr. Philip T. Bohi, pastor of Antioch Methodist church 30 years ago, now pastor of Lake Lotawana Community Methodist church, Lake Lotawana, Mo., was present and took part in the graveside ceremonies at Hillside cemetery.

He said that Hanaford E. Shepard had been a member of three of his congregations during the past 40 years—as a boy in Richmond, Ill., as a young man at Antioch; and at Grand Avenue Methodist Church, Kansas City.

Dr. Bohi told the assemblage that he was present at the request of (continued on page 5)

## Trucks and Men Of Nearby Towns Are to Compete

Water will be flying around in heavy volume Sunday afternoon in Antioch, but any peril that might come will be mostly for firemen.

Antioch's fire crews will be hosts to several nearby departments for a water battle starting at 1:30 p.m. on the Sabbath.

There is not only keen competition in this event but also a pile of fun for the firefighters and people watching as two crews of four or five men each try to push a barrel around with streams from two hose lines.

AMONG THE visiting departments is expected to be Silver Lake, Wis., with its new Pirsch pumper and equipment. This new truck was added to the Kenosha county community's fire force just recently.

The Silver Lake pumper is very similar to one that the Antioch fire department expects to have in service on or about November 1 of this year. The only exception is that Antioch's will be painted red and the other is painted white.

The water battle will take place in downtown Antioch, probably on Broadway with crews and trucks expected from Lake Villa, Trevor, Silver Lake, Antioch and other communities.

Antioch firemen Tuesday evening of this week finished putting in insulation in under the roof of the addition to the local station in preparation for tile work and eventual painting.

CREWS ALSO have been washing down the apparatus and putting on added touches of polish.

Members of the local fire department have been putting in everything but electric circuits, wiring and the like since the addition was completed.

The new fire truck will be added to the present equipment. The old Rescue Squad truck obtained by the firemen will be made into a wagon to haul extra hose, clamps, and other equipment.

Now that the addition has been built there is ample room for trucks, jeeps and the old Rescue Squad truck whereas before this the floor was crowded when all apparatus was in the building.

## Nick Badame Back Home

Nick Badame of Antioch, who was hurt early last week in an auto mishap while on a Wyoming hunting trip, returned to his home Monday to further recuperate from his injuries.

His brother-in-law, Phil Salvino of Chicago, was reported in a serious condition with concussion, broken vertebrae and other injuries.

Another member of the hunting party, Paul Jonas, also of Chicago, was reported hurt but the extent of his injuries was not learned.

The driver of the car involved, Hurley Moore, was killed. He was the guide on the hunting trip and a friend of the other three men.

Badame, who with his wife Ellen own and operate Nick and Ellen's on Lake street, Antioch, suffered abrasions, chipped bones and the like.

The truck in which they were riding went off the road while they were on their way to some hunting country in Wyoming.

## Village Board Meeting Delayed --- No Quorum

A scheduled meeting of the Antioch village board of trustees was postponed Tuesday evening when a quorum could not be present for its monthly session at the village hall.

Several of the trustees went to central Illinois over the weekend for a statewide meeting of municipal officials and were delayed in returning to Antioch.

No date for the October session of the board was set as of Tuesday night.

## DST Ends October 30

Daylight saving time will end in Illinois early Sunday morning, October 30, after being in force since back late last spring.

Wisconsin ended its DST by turning its clocks back an hour September 25.

# DEAR READER News Editorials

## Yes, There Is a Reason for Them

Once or twice a year the village and county and state take the time—and spend some money doing it—to paint lines in the streets and highways, marking them for pedestrian lanes, center lines and the like.

We have them here in this village designating where people may cross a street safely—or so the lines are supposed to say.

There is one set of parallel lines, for instance, across Main street from near the fire station to a point near the Antioch village hall.

Another pair cross Main street from the alley between Cy's Restaurant and Williams Hardware store to a point near Reeve's Drug Store.

Two pairs of such lines cross Lake street—one from the A&P store to Roblin's Hardware, and another from the A&P to the post office.

We must admit that there are many times when motorists ignore the lines when pedestrians are in them. It very often takes one of Antioch's Finest (policemen) to help people cross the street even within those lines.

But perhaps one reason vehicles ignore these lines is that so few people crossing the streets use the marked lanes.

Pedestrians using these lanes have the right of way. Those who cross in the middle of a block or anywhere else where such lines do not exist, do so at their own risk—jaywalkers.

Yes, there is a reason for those lines in our streets. Use them and you not only will protect yourself but you will be obeying the law.

## Courthouse Notebook—

BY LOU DURKIN

Gov. William G. Stratton brought a new dimension to state politicking last Saturday by using a helicopter to make a whirlwind visit to 15 Lake County cities and villages in an unprecedented handshaking campaign.

The governor, who has been gaining ground steadily since a low point in his bid for re-election in late summer, decided early in the campaign that a saturation campaign of the state was the key to success in his effort and hit the whirlwind as the only means by which this could be accomplished.

More than 60 counties in the state have received the helicopter treatment and Governor Stratton has indicated that he considers the technique a success.

His visit to Lake County Saturday produced mixed results with big crowds of enthusiastic well-wishers greeting him in some areas and disappointing turnouts on hand in others.

The net result, however, was good as the visit gave the governor considerable exposure outside the political worker circles.

Republican leaders in Lake County were particularly pleased with the turnout in Antioch where Democrats have been appealing to voters to "vote Republican for the rest of the ticket if you want, but give Otto Kerner a hometown vote."

The deadline for paying local real estate and personal property taxes passed with no reports of horsewhippings of tax-collectors or organized revolt, but there is an undercurrent of resentment that GOP leaders in the county recognize.

An important part of the Republican campaign strategy in Lake County will be the education of the voters and taxpayers that elected county officials are not responsible for the heavy taxes burdening Lake County property owners.

Actually the county general fund receives less than \$450,000 from the more than \$40 million levy spread over the county with another small amount going to the county forest preserve district.

None of the county officials who are up for election on November 8 have any hand in the levying of taxes and in fact, with the exception of the county auditor's office, they are fee-earning offices which are wholly or in substantial part self-supporting.

County Recorder Frank Nustra and Circuit Court Clerk Stephanie Sulthinn actually make a profit in their departments and the profits are turned over to the county general fund for use in other functions of the county government.

There are nearly 200 taxing bodies in Lake County exclusive of the county itself and each of these bodies levies its own tax which is spread and collected as a mechanical operation by county departments. These bodies are the source of the high taxes.

Studies and surveys by various business groups such as the Chamber of Commerce and taxpayers' organizations in the state on the two state bond issues to be voted on at the November 8 election are producing some strange results.

Most groups are apparently in favor of the \$150,000,000 bond issue for the construction of new buildings and the rehabilitation of existing facilities at state mental and welfare institutions, but are less favorably disposed towards the \$195,000,000 program for the construction of new buildings and facilities at the state universities.

The groups evidently feel that "I am my brother's keeper, but not necessarily his teacher."

We are getting into the melancholy, but colorful days of autumn when the gorgeous hues of the leaves beckon to us for a ride in the country.

Lake County has some beautiful countryside where the reds and golds of the trees present an exciting and delightful backdrop.

The best way to see these samples of Mother Nature's fingerpainting exercises is to cruise the network of backstop county roads that get you away from the congestion of the highways.

It's a rewarding tour for those who enjoy the beauty of a fall afternoon.

## CUB SCOUT PACK 300

Pack 300 held its monthly pack meeting September 27, based on the theme "Good Citizens."

Displays included a history of United States flags through the years, up to the 50 star flag, as well as a miniature voting booth and ballot box to signify a good citizen's privilege and duty to vote.

Highlights of the evening included a visit from Neighborhood Scout Commissioner Jim Bruski, who showed colored slides taken at the 50th anniversary Boy Scout Jamboree held in Colorado Springs last July.

Special badges honoring the 50th anniversary of Boy Scouting were presented to eligible Cub Scouts. Other awards presented were:

Peter Desbiens, Bobcat pin; John

## Archeologist Speaks

Stuart Strever, an archeologist, presented two assemblies at Antioch high school last Thursday morning in the school auditorium.

Freshmen and sophomores attended the first assembly from 8:30 to 9:25 and from 9:28 to 10:24 a.m. It was the junior and senior classmen.

Desbiens, Peter Kuzmickas and Grant Miskanis, Wolf badges; Richard Warsing and James Topercer, Bear badges; George Sedevic, Lion badge.

Also Alan Bazar, gold arrow; Richard Warsing and James Topercer, gold and silver arrows; and Robert Diemer and Bill Verkest, assistant denner badges.

Den 3, under the direction of Mrs. Barbara Diemer, presented a skit, "How to Build a Birdhouse." Refreshments were served by Mrs. Evelyn Sedevic.

William Lucas is organizing a Webelos den for boys 10½ years old who have won their Lion badge.

MANY ANTIOCH REPUBLICANS were among those who greeted Samuel W. Witmer and his wife, GOP candidate for U. S. Senator, at a recent Lake County gathering. Among them were Mrs. W. C. Petty, Mrs. Helen Burke and Mr. and Mrs. William Anderson. Witmer is running against Senator Paul H. Douglas (D) in the November 8 election.

## Murphy Backing Public Welfare Bond Proposal

W. J. Murphy of route 1, Box 607, Antioch, candidate for re-election as representative to the general assembly, 31st district, has endorsed the mental health and public welfare institutions bond issue.

He urged all voters in his district to vote for the bond issue on November 8.

Rep. Murphy said, "Though every effort has been made by the administration (Gov. Stratton) and by the legislature to improve the conditions, the personnel and the effective cure of patients, the load continues and the problem has increased faster than we can provide for by the normal method of taking money for this purpose from the general revenue of the state, especially for capital improvement and especially for the mentally retarded schools at Dixon and Lincoln."

"Therefore, this proposition should be supported by every decent man and woman in the state, so that we can properly care for those less fortunate."

"This is truly in the very best American tradition of doing for our own."

"I would invite anyone who might even consider opposing this bond issue to pay a visit to Lincoln or Dixon, and I am certain that if they have any compassion in their hearts at all, they could not, or would not vote against this critically needed bond issue."

The need is so great that if the bond issue is defeated we will have to curtail needed school aid or other state service as this need is now of an emergency nature."

Rep. Murphy joined a host of candidates for public office in both parties and more than 100 organizations throughout the state who, with the "Emergency Committee for 50,000" are working for passage of the Public Welfare bond issue.

## Lightning Hits Barn Burning It to Ground

LAKE VILLA—A lightning stroke was believed responsible for a fire that destroyed a barn now used as a cabinet shop on highway 59 about a mile south of Townline road late Saturday afternoon.

Owner Lewis N. Place estimated the loss at more than \$35,000.

It took Lake Villa and Antioch firemen more than four hours to quench the flames which consumed the building and its contents.

Lost were 2,000 feet of lumber, a band saw, a 300-watt generator, 1,000 cedar posts, plow, corn shell-er, 4x8 foot plywood forms, and a dump truck, all of which Place said were insured.

The place is known as the Skiff farm.

## Homer White Serving On County Grand Jury

WAUKEGAN—Homer D. White of route 2, Antioch, is among 18 men and five women impaneled Monday as a Lake county grand jury in circuit court. Sidney H. Block is the presiding judge.

Judge Block issued instructions to the grand jury and the group then huddled with state's attorney Bruno W. Stanczak.

White was the only member from the Antioch area.

## Flynn Announces Competitive Exam For 3 Academies

WASHINGTON, D. C.—(Special)—Congressman Gerald T. Flynn invites prospective high school graduates and all other interested young men who live in the First district of Wisconsin to compete for his appointments to the United States Military, Naval and Air Force academies.

Congressman Flynn will make his appointments on the basis of merit. The basic requirements for entrance to the Academies are:

1. The applicant must be in good physical condition.
2. He must be not less than 17, nor more than 22 years of age on July 1 of the year in which he hopes to enter the academy of his choice.
3. He must never have been married.
4. He must be of good moral character.
5. He must be a legal resident of the 1st District of Wisconsin.

Young men who meet the above requirements should:

1. Write a letter of application to Congressman Flynn, immediately, at Room 1018, New House Office Building, Washington 25, D. C. The letter should include the applicant's full name, legal address, date of birth and names and address of his parents.

2. Letters of reference from substantial citizens in the applicant's community should accompany the application.

Qualifying competitive civil service examination will be held on November 12, 1960, at various points in the First district.

## Emmons School Group Hears Talk on Safety

Harold Scheskie, Lake county safety program officer, was the principal speaker at the first meeting of the school year for the Emmons Parents club Tuesday evening at the Emmons school.

Frank Kennedy is club president, Mrs. Harry Green, vice president; Mrs. H. J. Gorlitz, secretary, and Mrs. Ernest January, treasurer.

A bake sale sponsored by eighth grade students also was held Tuesday evening.

## Open House Stated

## Unique Mobile World Trade Fair

An unusual export promotion program sponsored by the Isbrandtsen Co., Inc., largest independent American steamship line, is now in full swing.

For its "Mobile Trade Fair" Project, Isbrandtsen plans to install traveling trade exhibits in huge aluminum containers, the sides of which will open up when displayed abroad—at the same time forming a protecting promenade covering for viewers.

These exhibits of American products will be shown in about a dozen of the leading port cities in the Near and Far East served by Isbrandtsen vessels, as its contribution towards the stimulation of American foreign trade. Each manufacturer will show a suitable display of his products in the mobile exhibition.

Although essentially designed to foster increased exports of American products, such as automotive equipment, household appliances, commercial refrigeration, air-conditioning, sporting goods, medical equipment, etc., it is generally felt that this country's relations with the Near and Far East will be strengthened by reaching many areas deprived of these goods.

At its inception, Isbrandtsen's private enterprise export development project was highly praised by Secretary Mueller of the U. S. Department of Commerce as a constructive effort to assist in the development of America's foreign trade through the cooperative efforts of one American steamship company and alert manufacturers of American products.

While a number of leading American concerns have already indicated a desire to participate, the steamship company's aim is to have the groupings truly representative of a cross-section of progressive U.S.A. manufacturing concerns. Consequently, Isbrandtsen will welcome applications from all segments of American industry interested in sales of their products abroad.

## Wilmot Trevor Bristol Posters Receive Awards

KENOSHA, Wis. — Seven school children from the Wilmot, Trevor and Bristol districts were among those receiving awards last Saturday in the safety poster contest sponsored by the Kenosha county nurses.

John Shannon, executive secretary of the Kenosha County Medical society, made the presentations. The county nurses sponsored the contest with the cooperation and support of the county superintendent of schools and the medical society.

First place winners received a \$3 personal award and a year's subscription to "Today's Health" magazine for their schools.

Second placers were given a \$2 personal award and a copy of the magazine, while third place boys and girls received a \$1 personal award and a copy of the publication.

Shirley Flynn of box 78E, Trevor, a seventh grade student at Wilmot State Graded school with poster no. 29 was among three in the county receiving first prize.

A second place winner also went to Shirley Flynn for the same poster, according to a report from the county nurse. She was tied in this winning with Bruce Wiersum of Whittier school, Kenosha.

Poster 14 submitted by Sandra Holm of Box 88, Bristol, a student in the fifth grade at Bristol State Graded school, received third place. She was one of four getting an award.

Honorable mentions went to Gale Oldenberg of Wilmot State Graded and Edward Zellner of Bristol State Graded, both in the intermediate grades.

Upper grade boys and girls receiving honorable mention included Bob Benson of Bristol State Graded and Jim Rasch of Wilmot State Graded.

Judges included Mrs. Helena Seeger, county school's librarian; Mrs. Neil Tatman, Pleasant Prairie Joint 15 art teacher, and Edwin Polansky, county sheriff's department.

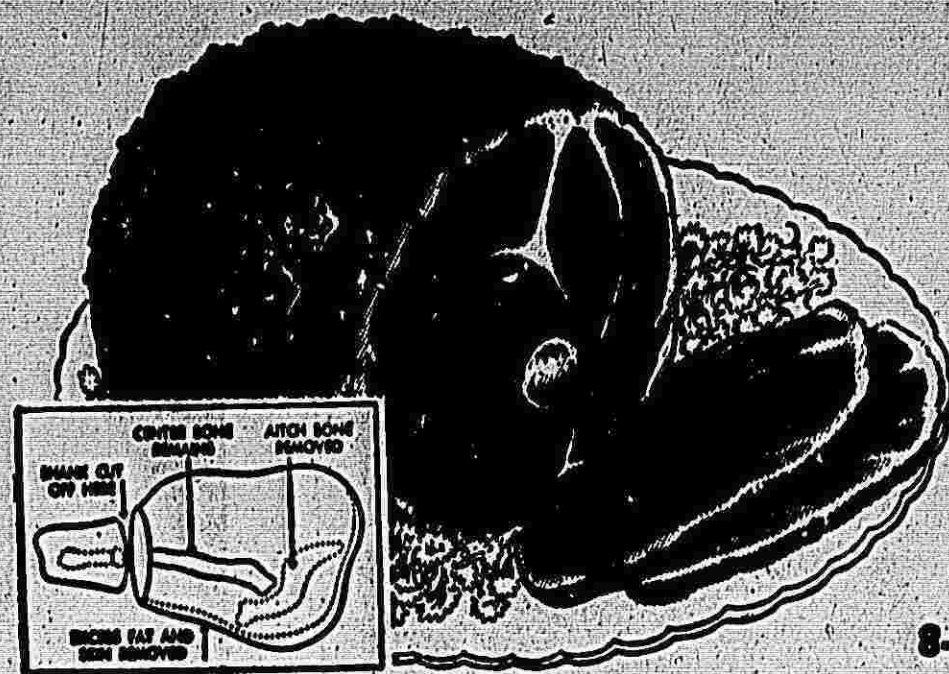

County fair visitors this past summer had an opportunity to vote for their favorite posters which were on display at the Wilmot grounds.

## Topics for Today's Women

### Rainbow Girls Meet Monday

The Antioch Assembly, Order of Rainbow for Girls, will meet at 7:30 p.m. Monday, October 10, at the Masonic temple. Joan Wagner, worthy advisor, will preside.

Cheryl Ptack will be initiated into the order.

The committees for Joan's term are as follows:

Finance, Jill Anderson and Pat Brown; publicity, Jane Lassen; sickness and distress, Sharon Langbein; reporter for "Rainbow Paper," Joan Wagner, and point committee, Dee Stillson, Joan Wagner and Donna Gibbs.

Mrs. Wilma Gibbs, mother advisor, accompanied a group of girls to the Millburn installation last Friday evening. Saturday evening, Mrs. Jeanette Brown, Pat Brown and Mrs. W. Gibbs attended the Lake Forest installation.

Sunday, October 9, all the girls are to be at the Masonic hall for initiation practice at 2 p.m.

Miss Wagner and her committee will serve refreshments for this month.

### Mrs. Wagner Elected Garden Club Leader

Mrs. John Wagner was elected as the new president when the Antioch Garden club met at Mrs. Wagner's home the afternoon of September 28. Mrs. Lloyd Leable was named secretary.

A program entitled "Adventures in Seeing" was presented by Mrs. George Blake of Western Springs. Several club members were appointed to represent the group at garden club flower shows coming up soon.

Each AGC member has been or will be making arrangements for the Antioch Township library to display in its building.

### Birth Announcements

Recent births at Waukegan hospitals have included a daughter to Mr. and Mrs. Norman Krieske of Spring Grove; a daughter to Mr. and Mrs. Jerry Patton of Antioch; a son to Mr. and Mrs. Lawrence Keisler of Salem, Wis.; a daughter to Mr. and Mrs. Richard Cerk of Antioch; a son to Mr. and Mrs. Frank Wagner of Lake Villa.

### Sandra Mackenzie, Rock Lake, Wed To Gerald J. Berrong at Waukegan

TREVOR, Wis.—A 5 o'clock in the afternoon ceremony on September 24 at the Immanuel Lutheran church in Waukegan united in marriage Sandra Mackenzie of Rock Lake, Trevor, and Gerald J. Berrong of Green Bay road, Zion, Ill.

The bride is a daughter of Mr. and Mrs. James H. Mackenzie, Jr., of Rock Lake. The groom is a son of Mr. and Mrs. J. P. Berrong of Zion.

The double-ring ceremony was performed by Rev. D. A. Lemke. Given in marriage by her father, the bride wore a floor length gown of her own design in silk organza over tulle-on-net and taffeta.

The bodice was designed with a shell neck outlined with motif of French imported re-embroidered Alencon lace studded with seed pearls.

The long sleeves were pointed at the wrists and touched with the lace applique. The very bouffant skirt was set in a princess panel and descended in a chapel train. Hand clipped Alencon lace was applied to the skirt.

Her fingertip veil of imported French silk illusion was held in place with a double lace crown outlined with seed pearls. She wore cultured pearls given to her by her godmother at birth.

THE BRIDE'S flowers consisted of a short cascade of small white Fuji mums with lavender grapes.

A sister of the groom, Mrs. Jack Sisler, as matron of honor wore a cocktail length dress of amethyst

imported silk chiffon over dansilk taffeta.

The draped bodices were banded at the waist with softly draped cummerbunds above a gently flowing skirt.

Mrs. Richard Koch, a sorority sister of the bride, was bridesmaid. She was gowned similarly to the matron of honor.

Flower girl Kathy Sisler, a niece of the bride, was attired in a floor-length yellow silk organza over taffeta gown which had a tiered skirt. The bodice was highlighted by bouffant sleeves.

The headpieces were modified stiffened bows of matching colors.

FLOWERS FOR the matron of honor, bridesmaid and flower girl consisted of purple grapes, thistle-down pom-poms and lavender and white pom-poms.

Robert Berrong, a cousin of the groom, was best man. Ushers were T. Montgomery Lewis, a cousin of the bride, and Richard Dooley and Marvin Cliff, friends of the groom.

Ringbearer was Gary Sisler, a nephew of the groom. His ring bearer's pillow belonged to the bride's mother.

Richard Koch, a friend of the bride, sang during the ceremony.

Taking care of the guest book was Mrs. William P. Johnson and Mrs. Daniel Kostoff and Miss Shirley Pasek assisted in pouring at the reception held at the American Legion

club, Waukegan.

The newly-married couple left on a honeymoon trip to Jamaica.

The bride is a graduate of Lake Forest college where she was a member of Alpha Phi sorority. Her husband was in the air force.

### Judy Horton, A. Daniel Oderkirk Wed in St. Peter's Church Rites

Miss Judy Horton, daughter of Mr. and Mrs. William Horton of Antioch, and A. Daniel Oderkirk, son of Mr. and Mrs. Alvin Oderkirk of DeKalb, were married September 24 at a 3:30 p.m. ceremony in St. Peter's church, Antioch.

Rev. Alfred Henderson, pastor, officiated at the double ring ceremony in which Mrs. Arthur McGreal of Antioch played the organ and also sang "Our Father" and "Ave Maria."

the bride, given in marriage by her father, wore a white nylon dress with a front and back panel of lace. She carried a bouquet of fuji mums.

Miss Sally Larson of Black River Falls, Wis., a student at the University of Wisconsin, was maid of honor.

Bridesmaids were Miss Gail Wilhelm of Chicago, a student at the University of Illinois, and Miss Bonnie Horton, of Wilmet, Wis., a cousin of the bride.

They wore beige dresses with burnt orange color accessories and they carried baskets of orange, yellow and white flowers.

Best man was Lynn Reich of Birmingham, Ala., and groomsmen were John Horton of Antioch, a brother of the bride, and Jack Suddeth of Shabbona, a brother-in-law of the groom.

The reception was held at Pasadena Gardens, north of Antioch, where a buffet supper was served. Dancing followed.

Gayle Oderkirk, a sister of the groom, took care of the guest book. About 150 persons attended the reception.

The newly married couple honeymooned at Montega Bay, Jamaica, stopping in New Orleans for several days on their way home.

They will return to 330 1/4 North Fourth street, DeKalb, on October 6. Both the bride and groom attend-

## Rosary Society Learns Summer Work A Success

St. Peter's Altar and Rosary society met in the school hall Monday evening, October 3, following Rosary and Benediction in church.

Fifty-four members and guests heard Mrs. Charles Solar, president, tell of the financial success of all the society's summer activities.

The shower for St. Vincent's orphanage helped the St. Vincent's committee to add to its baby clothes supply and enabled it to purchase needed materials.

Members having October birthdays included Rev. A. J. Henderson, spiritual director; Gertrude Malecka, Margaret Beckman, Ruth Peters, Celia Geist, Jean Frank and Dorothy Olsen.

Cards were played after the business meeting and St. Vincent's committee was hostess for the evening.

Reservations (call Antioch 1925) are still available for the luncheon and card party to be held at Mrs. May Elliott's home (next door East of Elliott's Chuck Wagon, Plantation road, Route 173) Monday, October 10.

The luncheon is for the benefit of Mt. Carmel cemetery and will start at 12:30 p.m.

## Pictures and Names Somelimes 'Mix Up'

Oops—We goofed.

The photographs on the society page (page 6) of the September 29 edition of The Antioch News and page 2, The Lake Region News September 30, showing a newly married couple (bottom of page) should have read Mr. and Mrs. Charles Hucker (Linda Pavel) of Lake Villa.

The picture of the bride at the top of the page in The Antioch News was Mrs. Raymond W. Lubkeman (Barbara Day) of Bristol, Wis.

Mr. and Mrs. Hucker were married at the Lake Villa Community Baptist church September 10. Mr. and Mrs. Lubkeman were wed at Peace Lutheran church in Wilmet on September 8.

## Local and Ingleside Youths Are Pledged

MOUNT VERNON, Iowa—Two youths from Antioch and Ingleside, Ill., were among 50 who joined six men's social groups at Cornell college, Mount Vernon, last Saturday following a week of initiation activities.

Sophomores and upper classmen were eligible.

Joining Beta Omicron was William Dressel of Antioch and being pledged by Gamma Tau Pi was Ernest Norris of Ingleside.

## Fashion Display Highlights Meet Of Local Women

The Antioch Woman's club opened its 40th year Monday with a luncheon held at the Illinois Beach State park lodge near Zion attended by more than 160 members and guests.

Highlight of the day was a fashion show presented by Mrs. Richard Erickson of Erickson's Sewing Center, Antioch.

Mrs. Erickson pointed out in her presentation of costumes sewn from patterns designed exclusively for McCall, Vogue and Advance, that fashion is within the budget of every American housewife.

These patterns were designed by such famous couturiers as Edith Head, Paule Trigere and Pierre Cardin.

"With the availability of the wide variety of new miracle fabrics in their dazzling array of colors, and their practicability," Mrs. Erickson said, "and of course last but not least a little time behind the sewing machine, we may all be our own original modistes."

Also shown were several knit garments made on the Pfaff knitting machine, available to all homemakers interested in making their own knit costumes.

Coiffures worn by the models were created by Jackie of Jacques's

## 4-H Square and Folk Dances at Central Hi

PADDOCK LAKE, Wis.—Mr. and Mrs. Harry Johnson of Kenosha were callers when the first of a series of monthly 4-H square and folk dances was held at Central high school last Saturday evening.

All 4-H members, their parents and leaders were welcome to attend.

Members of the Bristol Challenge 4-H club were hosts.

Beauty salon. Jewelry was through the courtesy of Keulman's Jewelers.

Mrs. William Seemann was the fashion commentator.

Featured at the Lowery organ was Dave McElroy of the McElroy Lowery Music shop of Zion.

Club officers who were hostesses for the day, carried out the theme of this 1960 election year by beautifully decorated tables in red, white and blue colors with place cards marked "Get Out and Vote."

Mrs. Ralph Gresens was awarded a transistor radio donated by A. C. Weber, distributor of Pfaff sewing machines. Mrs. Robert Duha was awarded a pair of Naturalizer shoes donated by "Shoes by George" of Antioch.

Mrs. A. O. Wiegart received the floral centerpiece donated by the hostesses for the day.

Next club meeting will be held Monday afternoon, October 17, at the Antioch Scout house. The program will be entitled "Your T Party."

### 1961 MERCURY PRICE COMPARISON CHART

PRICES START HUNDREDS LESS THAN LAST YEAR  
Optional equipment and transportation cost far less, too!

1. MERCURY METEOR 600	Priced right in the middle of the low-price field with such cars as Chevrolet Bel Air and Plymouth Belvedere.
2. MERCURY METEOR 800	Priced with the top series in the low-price field with such cars as Chevrolet Impala and Plymouth Fury.
3. MERCURY MONTEREY	Finest, most luxurious of all 1961 Mercurys.

## HERE IS A NEW AND BETTER LOW-PRICE CAR —WITH A 12-MONTH OR 12,000-MILE WARRANTY

You're looking at the newest car in the low-price field—the Mercury Meteor. But the resemblance to other low-price cars ends with the price.

**COSTS LESS TO DRIVE!** You save on upkeep. Your Mercury dealer is extending his warranty on all 1961 Mercurys to one full year or 12,000 miles, whichever comes first. See him for full information. He will be glad to show you a copy of his new warranty.

You save on gas. Mercury's new, wider choice of engines and transmissions lets you tailor your new Meteor to your kind of driving. Choose super economy, super power, or any combination in between. And just think of these 7 other savings:

A new pre-lubricated chassis lets you drive 30,000 miles before it needs another lubrication. A new-type oil filter lets you drive 4,000 miles between oil changes. Mufflers are aluminum for more than double the life. Brakes are self-adjusting.

New zinc-coated body panels protect your car from rust two or three times as long. Spark plugs are self-cleaning, save gas. A special Super-Enamel finish never needs waxing.

**LOOKS BETTER AND IS!** The styling and size are completely new. Trimmer, easier to garage, far more agile. You get a de luxe interior in every model at no extra cost.

**FEELS LIKE MORE!** Here's the first low-price car to provide a true "fine-car feel." Not just shock absorbers and springs for your riding comfort, but a unique new system of rubber cushioning called Cushion-Link suspension. It is exclusive on all Meteor 800's, Monterays, and Mercury station wagons. No more bumps from tar strips and other road-surface irregularities.

Don't miss the first showing! See your Mercury dealer now. Here, without question, is the newest and smartest buy in the low-price field.

OLD WILMOT HOTEL located on the main street of the Kenosha county village on the Fox River is expected to be turned into a historical museum before too many years go by. This structure in which old time residents of the community said dances were held during the Civil War days, appears in good condition. A tree blown down in a windstorm this past summer damaged the porch as shown here. The hotel is opposite the old Wilmot post office which is being replaced by a new building under construction on another site. (Antioch News photo)

## Halloween Dance Dated By PTA for October 29

Parents of Antioch Township high school students are being urged to support the Halloween hop being sponsored by the high school PTA to be held at 8:30 p.m. Saturday, October 29, in the school gymnasium.

Tickets for the dance have been sent to parents with the suggestion that they invite friends to attend with them.

This event will be the one large money-making project of the PTA this school year. Last year the parent-teacher group sponsored a three-act play presented in the school auditorium to large and appreciative audiences.

Donation money for the two tickets enclosed to parents should be sent to the school office by Friday, October 21, or it can be left at the gym door the night of the dance.

It is being suggested that those attending wear a Halloween costume, but this is optional and not necessary.

all persons that the first Monday of December, 1960, is the claim date in the estate of GEORGE L. MOSBY, Deceased pending in the Probate Court of Lake County, Illinois, and that claims may be filed against said estate on or before said date without issuance of summons. All claims filed against said estate on or before said date and not contested, will be adjudicated on the first Tuesday after the first Monday of the next succeeding month at 9 A. M.

## Post Office Receipts Up

Receipts at the Antioch post office climbed from \$51,120.43 in 1953 to \$119,428.24 last year. Postmaster Roy Kufalk said this week in commenting on the all-time high in mail volume reached in 1959-60 throughout the U. S.

The post office department reported a steady upward trend in the past seven years at a rate which even exceeded the population growth in the United States.

The year's total has been estimated as 63.6 billion pieces of mail which included about 1 billion pieces of parcel post.

It was stated that this would mean an increase of nearly 25 per cent over the corresponding figures for 1953 when the annual volume was 50.9 billion pieces.

Revenue of the post office department in this same period showed a gain with an increase from \$2,091,714,000 in the fiscal year 1953 to \$3,276,800,000 for the fiscal year 1960.

SUE OLSON of Twin Lakes, queen of the Wilmot high school Homecoming festivities last Friday evening, is shown as she rode about the field during the ceremonies. Her attendants were Susan Eckert of Rock Lake, Nancy Sorenson, Linda Rasch and Charlene Simon. King of the Homecoming was Greg Bush of Trevor who chose Miss Olson as his queen. Male members of the royal court were Ben Yuknis, Dennis Hanke, Dennis Faber and Ronald Sarno. The king and queen were crowned by Ray Cates, vice president of the B.A.A. Wilmot high won its game with Burlington, 18-2. (Tronson photo)

## Savings and Loan Month Proclaimed

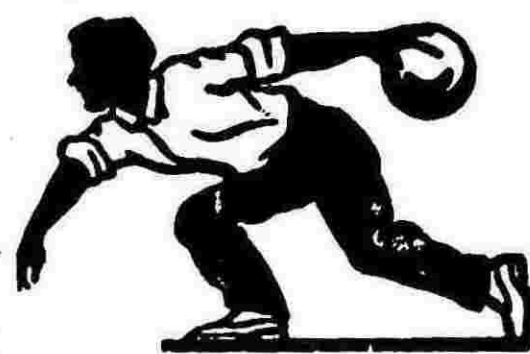

Governor William G. Stratton has proclaimed the month of October as "Savings and Loan Month" in recognition of the services of the state's 587 savings and loan associations in promoting thrift and home ownership.

The proclamation marks the beginning of a statewide observance by Illinois savings and loan associations, featuring the theme of "Save the Savings and Loan Way." Associations will call attention to their home financing activities which contribute to the continued progress of the home building industry and related segments of the economy, to the improvement of residential neighborhoods and to increased family pride resulting from home ownership.

Illinois Savings and Loan associations whose total resources now exceed \$6½ billion are serving over 3 million savers and home buyers, the proclamation points out.

For the past five years they have loaned more than \$1 billion annually for the construction, purchase and remodeling of 6 out of 10 Illinois homes.

In the proclamation made by Governor Stratton he has requested the appropriate observance of "Savings and Loan Month," during which time Illinois association will encourage the practice of thrift as a vital part in checking inflationary pressures, and in providing through loan repayments and new savings an adequate supply of funds for sound and economical home financing.

# Sequoits vs. Grant Saturday

## Warren Pins 33-0 Loss on Antioch; Key Players Out

"When this team jells, it could go all the way," coach Bob Walther of the Antioch high Fighting Sequoits commented this week as the local gridders prepared for their game with Grant high at Ingleside at 8 p.m. Saturday.

It will be Homecoming for the Grant high student body and alumni with a parade, Homecoming queen contest, dance and the like planned.

Only one game will be played Saturday evening. Instead of the usual two, sophomore and varsity.

Walther said "it's about time" for the Sequoits to start playing the game from both sides—offense and defense.

Antioch looked pretty good defensively against Lake Forest a couple of weeks ago and offensively in practice this week the locals have shown good promise, he said.

"But they have yet to play a really good all-around game," Walther said. "We hope that this will

come against Grant Saturday."

The Grant high Bulldogs use a wing T offense and have a strong ground game. Walther said the Bulldogs have spunk and never let down.

Last week Grant high defeated Grayslake 14-6 and earlier defeated Wauconda. Its only loss this season was to Libertyville.

Eleven key players on the Antioch high squad have been absent from practice because of colds or other illness and that could hurt the Sequoits chances.

"We are still looking for our defensive and offensive units," Walther commented, "although we may have found our defensive line."

"But the offensive group is still

wide open for a unit that will 'jell'. The boys are showing improvement with every game but they don't seem to be determined enough."

Warren high scored early in the game on the local field last Saturday evening and went on to defeat the Fighting Sequoits 33-0 in a Northwest Suburban conference contest.

THE UPCOMING World Series between the New York Yankees and the Pittsburgh Pirates might be the reason for a few "flashbacks" by yours truly on other years when he was watching some of the present major league players while they received their start in professional baseball.

Here "at home" in the Chicago land area, the White Sox have two players who come from the same town and one of them is the son of a former top ranking Major league player of years gone by.

We refer to the Chisox catcher Earl Averill, Jr., the son of the former Cleveland Indians great outfielder Earl Averill, and Earl Torgeson, used as a pinchhitter much of this year.

We met Averill, Jr. several years back when he was with San Diego and before he moved up to Cleveland. He played with several other teams before joining the White Sox including the Chicago Cubs.

Both (or we should say all three) "Earls" come from the same town of Snohomish, Washington, a community of about 3,500 people some 25 miles north of Seattle and about 8 miles east of Everett, Wash.

The older Averill used to run a motel in the town and the mother of Torgeson still lives in that community.

England has its "Earl" of this and that, but Snohomish has three "Earls."

In fact Torgeson, Averill Jr. and Averill, Sr., used to be called the third, second and first "Earls" of Snohomish, in the order they entered professional baseball.

ONE OF THE bulwarks of the Baltimore Orioles batting the past season or two has been a great bulk of a man by the name of Gus Triandos, a pretty good catcher and a good batter.

We saw him back in 1948 when he was playing in the class D (professional) Far West league.

This league then operated in southern Oregon and northern California and included in its roster Medford, Ore., where we were sports editor of the Mail Tribune.

Triandos was a big burly sort of a young man then who played as we recall with a farm team of the St. Louis Browns (then in the American league) and known in the Far West loop as the Redding (Calif) Browns.

This fellow could "hit the ball a mile," as the saying goes, and he was always a threat at the plate.

Class D baseball, for the most part, is for youngsters in pro baseball who are just breaking in.

## HUNTING NEWS

Applications for permits to hunt on public pheasant, duck, and goose hunting areas are pouring into the Springfield office, Director Glen D. Palmer of the Illinois department of conservation said today.

Palmer urged hunters who plan to hunt on the state-owned areas, and who have not applied for a permit, to do so immediately.

Applications should include the hunter's name and address, his partner's name and address, the date desired, a second choice date, and the area desired.

They should be mailed to Permit Office, Game Management Division, Department of Conservation, Room 106 State Office Bldg., Springfield, Illinois.

With the 1960-61 hunting season preparing to move into high gear for approximately 800,000 Illinois and Indiana marksmen, the Chicago Motor club urges the sportsmen to be careful at all times while enjoying themselves.

The motor club offers the following safety tips for the hunting season:

Be particularly careful before dawn and after sunset. That's when most hunters hit the highways.

Never hunt on farmland without obtaining the owner's permission. You can be fined for trespassing even though the land isn't posted.

Never carry a loaded gun in your car; carry your ammunition separately.

When maneuvering through and around fences, break your gun or make certain the safety catch is on; fences are one of the greatest danger points in hunting.

Never fire from a car or toward a road or highway; it's not only dangerous, but also illegal in most states.

If you're not used to much exercise, don't overtax yourself while hunting. Your heart isn't accustomed to this type of exertion.

## Panthers Look Good Winning, 18-2; Falcons 'Out for Blood' After Loss

WILMOT, Wis. — Coach Frank Bucci's Panthers were back on glory road this week, a brilliant 18-2 homecoming victory over Burlington under their belts.

But the Wilmot eleven is bracing for a tough gridiron encounter Friday with Mukwonago, which will be having its homecoming at the 7:30 p.m. tilt.

"If we've got a conference rival, Mukwonago it is," said Bucci. "Their team looks good, even though it lost to East Troy and Badger—after all, they're supposed to be the two top teams in the conference this year."

Bucci said that his charges are showing marked improvement on defense, although still a little weak offensively.

"It's just little things that are bothering us—things that could happen to any team."

Bucci needed no apologies for the game last Friday, in which defensive men took starring roles. Toward the end of the first quarter, Greg Bush lobbed a short 10-yard pass to Dennis Hanke, who ran 67 yards

to pay dirt.

In the second quarter Bill Horbach, defensive back, intercepted a pass on Burlington's 32 and went all the way for a touchdown.

The third score was in the fourth quarter, when Bush intercepted a pass on Burlington's 14 and romped to a TD.

Burlington made its two points on a safety in the fourth quarter, when Wilmot intercepted a pass in the end zone.

PADDOCK LAKE, Wis. — Salem Central high's Falcons, still smarting from a 24-12 defeat by St. Mary's of Burlington last week, are out for blood in their first conference game of the season Friday at Clinton.

Coach Roger Terry isn't underestimating the Clinton squad, despite the fact that it was beaten by Walworth, 14-6 last week. Walworth, the coach noted, has a scrappy team this year.

The Clinton eleven, under a new coach this year, is just beginning to master his strategy. The team runs

a single wing formation, Terry said.

One major change in the Falcons' lineup Friday will be the shifting of star halfback Andy Aguiro to the quarterback spot. Replacing Aguiro at Half will be either Dave Bush or Fred Keppler.

Coach Terry said his charges are beginning to jell into a workmanlike team.

"We're ready to explode if we can get them all pulling in top gear in one ball game," Terry said.

The Falcons lost last week's encounter with St. Mary's strictly on fumbles. Central fumbled six times, with St. Mary's recovering five of them. Out of three St. Mary's fumbles, the Falcons snagged only one.

Central's two touchdowns were scored by fullback Jeff Grumbeck, one from the 45-yard line, the other a 6-yard run off left tackle. St. Mary's touchdowns were scored by Agnew, Leon (2) and Ryan.

St. Mary's registered six first downs, compared to 10 by Central, and gained a total of 224 yards, compared to Central's 174.

## Season's Finale Planned Sunday Waukegan Track

WAUKEGAN — The Waukegan Speedway will present its big finale of the 1960 racing season next Sunday with a \$25,000 celebration night being planned, officials said this week.

It will be the first time in the speedway's history that prize monies paid drivers will have exceeded that sum for the season.

Stock jalopies will run in addition to the modifieds and a gigantic demolition derby, the biggest ever seen at Waukegan, will wind up the season. The modifieds will run a normal program of events.

Time trials will start at 6:50 and races will begin at 8 p.m.

More than 1,600 racing fans were on hand to pay on an \$875 purse for the drivers at last Sunday night's events.

Miles Melius of Slinger, Wis., took top honors in winning the 75-lap championship race, making it his third victory in three starts.

He had won the 25-lap race on August 14, came back later to take a 50-lapper and set a new track record in scoring the 75-lap to win last Sunday, averaging 50.25 mph.

Bill Schwitzer of Milwaukee came in second a half lap behind Melius, Bill Johnson of Oconomowoc was third, Jack Radtke of Grayslake fourth, and Ted Rozinski of West Allis fifth.

Frank Deamars of Milwaukee took first in the 15-lap semi-feature, beating Rod Fulle of Racine and Paul Hollister of Northbrook.

## Salem Post Office Receipts Climb To \$13,462 From \$7,401 in 7 Years

SALEM, Wis.—A new all-time high in the nation's mail volume was reached during fiscal year 1960 ending June 30, which continued the steady upward trend of the past seven years at a rate which even exceeds the population growth, according to Postmaster Charles H. Petersen of Salem.

This year's total has been estimated at 63.6 billion pieces of mail which includes about one billion pieces of parcel post.

This would mean an increase of nearly 25 per cent over the corresponding figures for 1953 when the annual volume was 50.9 billion pieces.

During this same period, the revenue of the department also has shown an increase from \$2,091,714,000 in fiscal year 1953 to \$3,276,800,000 for the fiscal year 1960.

Here in Salem, receipts of the post office climbed from \$7401.63 in 1953 to \$13,462.82 last year.

During this same period the population we serve has climbed 164 per cent. To serve this growth an additional rural route was established on February 16, 1953.

Since 1953 Salem rural routes

have been extended or amended 14 times, to provide new service to many locations never served before, and better service to all.

"There is not much we can do about how much mail we have to handle from day to day or how many people are making use of the Postal Service," Postmaster Petersen stated, "but the whole department keeps busy in devising ways and means for doing the job not only more efficiently, but more economically."

"We can't deny that we still make mistakes and that the human element still plays a vitally important part in daily operations, but the statistics in the Department's annual report offers positive proof that we are making progress on a nationwide, and local basis."

"As an example, while nationally the mail volume showed a 25 per cent increase, Salem has experienced a 164 per cent increase. And to handle this increase has added only a 33 per cent increase in personnel."

In view of the postal modernization program begun by Postmaster General Arthur E. Somerfield, and the growth in the Salem area, a survey was made by post office department.

The result of this survey was the announcement that Salem was authorized a new post office building, on April 20, 1960.

With this authorization the regional engineering department of the post office department designed a building around the growing needs.

Bids on the new building are being accepted, and will be opened in the regional real estate manager's office at 2 p. m., October 17.

## Pep Assembly Dates Listed

Dates and times for pep rallies before Antioch Township high school home football games were announced this week, the second event to be held at 8 p.m. Friday, October 14, before the Homecoming game with Round Lake.

The first such rally was held Friday afternoon, September 30, before the contest Saturday evening with Warren High.

A bonfire with the traditional school yells and music will highlight the October 14 event on the school grounds.

Other pep rallies are planned this fall for 2:35 p.m. Thursday, October 20, before the October 22 game with Elmhurst, and on Friday, November 4, at the same time prior to the November 5 get together with Wauconda.

The rally will be held Thursday, October 20, instead of the usual Friday because October 21 will be a "no school" day.

It was noted in a bulletin read to ATHS students recently that pupils who skip a pep assembly will be asked to give a special yell at some subsequent school assembly.

## Speech Deficiencies Reported Few at ATHS

Antioch Township high school has a low percentage of children with speech deficiencies, Miss Patricia Tierney, speech therapist from the Lake county special education office, has informed school officials.

Miss Tierney recently spent several days at ATHS testing the entire student body for speech problems.

She will be at the school one day a week this school term, giving speech therapy to pupils with speech difficulties.

The school board has authorized this service for high school children in cooperation with four other schools in Lake county.

## It's 10° cooler when you cook in a flameless electric kitchen

Heat from an electric range goes where it's intended to go: in the pan and directly into foods—not into your kitchen. The oven is insulated on all six sides (not just five). Hardly any heat escapes.

Clean as electric light. With no flame burning, no dirt is created to soil walls

and ceilings or blacken pots and pans. Your kitchen, and everything in it, stays clean about twice as long.

When you build, buy an appliance or remodel your kitchen, keep in mind the clean, fume-free cooking you get in a flameless electric kitchen.

## Salem, Bristol, Trevor, Brighton, Paris 4-H'sers Receive Certificates

WILMOT, Wis.—Names of Kenosha county 4-H'ers who received medals and certificates at the annual 4-H achievement night held at Wilmot high school were announced this week.

Boys and girls in the 10 to 14 and the 14 and older groups received these honors for outstanding work in projects and activities. Award medals were provided by private donors and the Kenosha 4-H leaders' council.

Many of those 4-H'ers so rewarded were from clubs in Salem, Bristol, Brighton, Trevor and Paris communities.

Leland C. Smith, Kenosha county horticultural agent, gave the welcome. Awards were presented by George Larson, president of the 4-H leaders' council, and by Phyllis M. Carside, county home agent.

A talk and slides about the Netherlands was presented by Herman Felstenhausen, of the agriculture journalism department of the University of Wisconsin and a former

International Farm Youth Exchange (IFYE).

Award winners for 1960 included from Western Kenosha county:

## Salem Hard Hit By Elm Disease; Burning Urged

By Leland Smith  
Kenosha Co. Hortl. Agent

There are quite a large number of dead elm trees throughout Kenosha county that should be cut and burned if we are to hold Dutch Elm disease to a minimum.

Areas that have the most dead elms are Salem and Somers Townships. These are also the townships that had the most diseased trees this year—104 and 70 respectively.

Many elm trees died from Dutch Elm disease but were not sampled to diagnose the cause of sickness. Some elms died from other diseases.

Whatever the cause of death was, these trees are breeding places for next year's crop of elm bark beetles which spread Dutch Elm disease.

Now would be a good time to take note of the dead or dying elms that should be removed as the leaves are still on the healthy trees. After the leaves fall off, it is not easy to notice which trees are dead.

A number of dead elms have been found highly infested with the elm bark beetle larva. These larva will change to adult beetles and emerge in the spring to spread Dutch Elm disease.

It would be well if each landowner checked his property for dead or dying elms and to burn them—if the Dutch Elm disease is to be held to a minimum.

## Sea Explorers Leader Training Course Dated

Charles A. Page of Highland Park, training chairman of the North Shore Area council, announced the details of a Sea Explorer leaders training course to be conducted at the Council Office, 724 Vernon Ave., Glencoe.

Dates of training are at 8 p. m. Thursday evenings, October 6, 13 and 20.

This course is open to all adults who are interested in learning more about the Sea Explorer program of the Boy Scouts of America. It is especially good for sea explorer skippers, mates and committeemen. The first session on October 6 is entitled, "This Is Sea Exploring." It is to acquaint everyone with the aims, purpose, and methods of the Sea Explorer program.

## Card Party, Luncheon To Benefit Hospital

A card party and luncheon sponsored by the Ladies of Fox Lake will be held at 12:30 noon Wednesday, October 12, at the Fox Lake club building for the benefit of the Countryside hospital.

This was announced this week in connection with the monthly meeting of the Countryside Hospital association to be held at the Lake Villa grade school at 7:30 p. m. Tuesday, October 11.

## Will Dedicate Two Churches On October 9

BRISTOL, Wis.—There will be two brand new Zion Evangelical Lutheran churches at dedication services here Sunday, October 9.

One will be the grand new structure fashioned of brick, mortar and wood by the contractor.

The other will be fresh out of the oven.

The second "church," an exact replica of the new building being dedicated, will be found atop a cake baked by Mrs. Glenn Kirchner of the congregation.

The cake, which Mrs. Kirchner has told Pastor Reinhard E. Bittdorf will serve 1,000 people, will reproduce not only the church building, but also the landscaping and parking lot surrounding it.

Mrs. Kirchner will slice the cake during the dedication day festivities. Plans for the big event are in the wrapping up stage here. The Ladies Aid group will meet Thursday, October 6 at 9:30 a. m. for a full day of preparatory activities.

They will arrange tables and set chairs. Each of the ladies is to bring her own lunch for noontime.

Ladies of the congregation will serve three meals on dedication day—the noon dinner, supper and evening lunch.

Members of the congregation have been invited to purchase formal invitations to the dedication, which they can send to their friends.

Also available is an anniversary booklet, which can be purchased this Sunday. It is a 16-page brochure with a stiff cover containing pictures and text about the church.

A special program of the three special services on dedication day—at 9:30 a. m., 3 p. m. and 7:45 p. m., will be provided free at the service.

Pastor Bittdorf noted that one unusual feature of the building to be dedicated is that it contains cornerstones of both the new and old buildings.

Housed in the north wall of the structure are the new cornerstone, on the outside, and the old cornerstone, on the inside.

Each contains mementos of the era it represents—in the old stone is a box with documents of the period when that church was dedicated in 1896. The new stone contains historical data and newspapers of 1960.

## Flynn and Schadeberg Speak at Janesville

Congressman Gerald T. Flynn (D) and his opponent Henry C. Schadeberg of Burlington (R) were speakers before farmers of the First district at a meeting at the First Lutheran church, Janesville, Monday.

The event sponsored by the Wisconsin Farm Bureau was billed as a "Measure Your Candidate" meeting.

A luncheon was included in the program which started about 10 a. m. and was completed about 3:30 p. m.

LAKE VILLA—The Royal Neighbors are accepting donations for their A to Z sale they will have in November. Anyone wishing to contribute may leave the articles at the home of Mrs. Marie Hamlin on Cedar Avenue, Lake Villa.

Proceeds from the sale will go to the Countryside hospital fund.

The Telephone company "Telephone Community Theater" night was held September 29 at the Lake Villa grade school on Grand Avenue.

The program started with a color movie on "Illinois Holiday," showing an exciting tour of the Prairie state.

Those attending had a chance to hear and see an electronic brain and what a voice sounded like on a "voice mirror."

Also for all to see was a grown-up mechanical doll, who talked and answered questions, plus many other interesting demonstrations.

The next regular meeting of the VFW Auxiliary will be held October 3 starting at the VFW hall.

The Lake Villa village board will meet October 3 at the village hall.

The Republicans will sponsor a dance at the VFW hall in Lake Villa October 1.

Danny Slazes was honored at a party recently at the home of his parents with the following present: Mr. and Mrs. Elmer Keisler and family, Mr. and Mrs. Lelf Larson and family, all of Antioch; Mr. and Mrs. Frank Slazes and family of Lake Villa and Mr. and Mrs. James McGrain and son of Waukegan.

Danny left last week to fly from Chicago to San Diego, Calif., for training in the Marines at Camp Pendleton, Calif.

Mr. and Mrs. Oscar Brooks and Mr. and Mrs. Evert Brooks and daughter from Osceola, Iowa, spent a weekend with his brother, Harvey Brooks.

Other guests Sunday were Mr. and Mrs. Earl Shales from Woodstock; Mr. and Mrs. Cyril Pacey, Susan, and Bruce Feldkamp from Wilmet, Wis.; Mr. and Mrs. Lyle Pacey, Antioch; Mr. and Mrs. Donald Brooks, Lake Villa, and Mr. and Mrs. Robert Brooks and family from Buffalo Grove, Ill.

Mrs. Dorothy Holmquist of Chicago is spending a couple of weeks with Mr. and Mrs. Frank Slazes, Jr. Mr. and Mrs. Lloyd Repke and family of Ringwood, and Mr. and Mrs. Arthur Nelson and son of Lake Forest were visitors Sunday of Mrs. Ann Nelson.

Mrs. Bernard Schneider and Mrs. Clifford Bartlett were visitors recently of Mr. and Mrs. Joe Drehoel of Lake Bluff.

Everet and Norman Nelson of North Chicago and Mr. and Mrs. Raymond Bartlett and family of Waukegan were visitors Sunday of Mr. and Mrs. Fred Bartlett, Sr.

## Paddock Lake Now Seeking Police Chief

PADDOCK LAKE, Wis.—WANTED: One Chief of Police.

That's the word out of Paddock Lake this week as the result of a special meeting of the village board of trustees, in which the new post was set up to replace the office of constable.

The man the board has in mind must have these qualifications:

Be between the ages of 30 and 60.

Be available for evening duty.

Be a year-around resident of Paddock Lake.

Have his own car, "in good running condition."

Be on 24-hour call.

Have a phone in his house.

Be ready to do a minimum of 10 hours' patrol duty during the week, unless authorized for more work by the police committee.

The village will furnish a uniform, including cap, jacket, shirt and pants.

Salary will be paid at the hourly rate of \$3 an hour, including car expenses.

The village expects that, at least during the winter months, the chief's duties will be concentrated largely on the weekends, with the night patrol duty coming during the week.

He will have the power to deputize members of the board of trustees as law enforcement officials during his absence.

Applicant must take a police test, which will be administered at a date to be announced later.

## As Time Goes On

The Various Ways of Life Change  
MODERNS become ANTIQUES and PRICELESS

In 1910 the car on the left, a SIMPLEX roadster, was a honey, and this PIERCE ARROW of 1911 was forerunner of the modern station wagon.

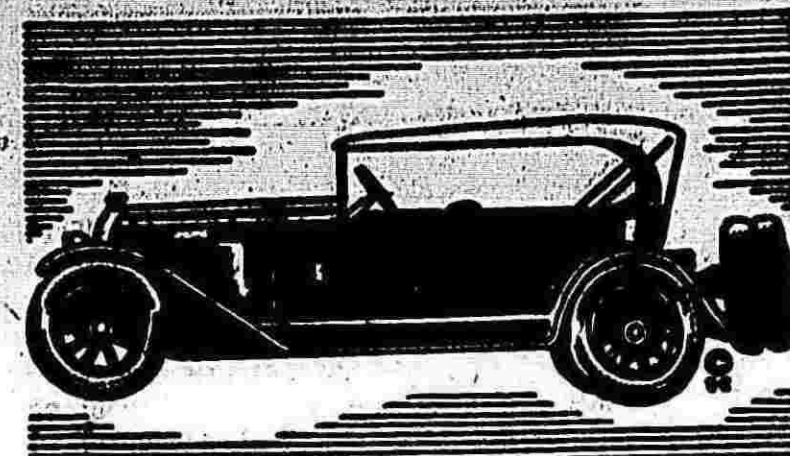

In 1912 this old Chariot was introduced as a Business Man's Roadster

and in 1913 the MERCER Raceabout gladdened the hearts of the sporting class

Bear in mind that these old ANTIQUES were really up-to-date and MODERN IN THEIR DAYS. Right hand drive, various kinds of gear shifts, and it required hours to change those plain-tread tires.

But in 1925 12 Years Later Cars had left-hand drives

And this LOCOMOBILE had "streamlines," demountable balloon tires and a "one-man" top

## Lindhurst Pair Mark Anniversary With Big Party

By Mrs. Bernice Bernau

LINDHURST—Mr. and Mrs. William (Sophie) Kempski of Beck road celebrated their silver wedding anniversary of September 21 with a party for friends and relatives Sunday, September 25.

They have a son, William, Jr., who is married. His wife's name is Joan, and they have a little daughter, Tamara. They reside in Chicago.

Their daughter Gloria attends the Chicago College of Commerce two nights a week. Their son James attends B. J. Hooper school.

They started their day by attending the 11:15 mass at Prince of Peace church in Lake Villa, which was their 25th anniversary mass. After church they served dinner to

friends and relatives that had arrived early.

Before the day was over they had 120 guests. Friends and relatives from Lindhurst were Mr. and Mrs. Hank Nauer, Mr. and Mrs. Don Warchol, Mr. and Mrs. Arthur Heindl and Mr. and Mrs. Sigmund (Beatrice) Kempski.

The bridesmaids from the wedding who attended were Mrs. Evelyn Wegryn, Mrs. Chester Duszynski, Mrs. Jean Busch and Mrs. Florence Baran. Ushers were Sigmund Kempski, Leo Kempski and Roman Kempski.

They sat Mrs. Kempski in the center of the room and had her open her gifts just like they did at her wedding.

She received two beautiful corsages. One was white carnations with 25 paper dollars attached to it. The other one was white roses with 25 silver dollars attached to it.

They also received many beautiful flower sprays and gifts.

It was an occasion the Kempski family and their friends will long remember.

## Juniors Schedule Dinner and Dance

The junior class at Antioch high school has decided for an evening of dinner and dancing at a nearby place that will not last the entire night as the "after prom" activity next spring.

Mrs. Lorraine Cheetham, Mrs. Geraldine Olsen and Mrs. Ruby Alm, representing the ATHS Parent-Teacher association met with representatives of the junior class to discuss this matter.

A vote among junior class members on what the "after prom" activity should be resulted in the dinner-dance plan. A majority vote of the class decided the issue.

Plans call for the teen-agers to return home for a rest after the dinner-dance and then go on a picnic within 25 miles of Antioch the following day.

The prom is scheduled for the evening of May 13.

ANTIOCH HIGH FRESHMEN are shown here during their recent party open to freshmen only held in the boys' gym at ATHS. Here they are lined up at one end of the gym to play a balloon blowing-up game. Boys and girls on each team ran to the opposite end of the gym, blew up a balloon until it burst and then raced back to this site. Dancing, mixer games and refreshments were highlights of the evening. Teachers were in charge of the party. (Antioch News photo)

## John L. Horan Retires; Ex-Publisher of 'News'

John L. Horan of Antioch, make-up man for Libertyville and Waukegan newspapers for 25 years, retired Saturday from his job with the mechanical department of a Waukegan newspaper.

Horan, a former owner and operator of The Antioch News, got his start in the printing business in 1920 with The News.

A leader in the American Legion, the Antioch fire department, Rescue Squad, St. Peter's church organizations and a past tax collector for Antioch Township, Horan and his

wife plan trips, including one to Miami Beach, Fla.

Mr. and Mrs. Horan plan to attend the national American Legion convention at Miami Beach.

# FRIDAY! THE GREATEST SIXTY-ONEDERFUL CHEVROLET

Here's the car that reads you loud and clear—the new-size, *you-size* '61 Chevrolet. We started out by trimming the outside size a bit (to give you extra inches of clearance for parking and maneuvering) but inside we left you a full measure of Chevy comfort. Door openings are as much as 6 inches wider to give feet, knees and elbows the undisputed right of way. And the new easy-chair seats are as much as 14% higher—just right for seeing, just right for sitting.

Once you've settled inside you'll have high and wide praises for Chevrolet's spacious new dimensions (in the Sport Coupes, for example, head room has been upped as much as 2 inches, and there's more leg room, too—front and rear). Chevy's new trunk is something else that will please you hugely—what with its deep-well shape and bumper-level loading it holds things you've never been able to get in a trunk before.

Yet, generously endowed as this car is with spaciousness and clean-etched elegance, it holds steadfastly to all the thrifty, dependable virtues Chevrolet buyers have come to take for granted. Your dealer's the man to see for all the details that make this sensationally sensible '61 Chevy a new measure of your money's worth.

There's never been a trunk like it before! The floor's recessed more than half a foot and the loading height is as much as 10½ inches lower.

## INTRODUCING THE '61 CHEVY BISCAYNE 6

the lowest priced full-sized Chevy with big-car comfort at small-car prices!

Chevy's new '61 Biscaynes—6 or V8—give you a full measure of Chevrolet quality, roominess and proved performance—yet they're priced down with many cars that give you a lot less!

IMPALA 4-DOOR SPORT SEDAN—one of five Impalas that bring you a new measure of elegance from the most elegant Chevis of all. The front door entrance height is nearly 2 inches higher.

NOMAD 9-PASSENGER STATION WAGON. You have a choice of six Chevrolet wagons, each with a cave-sized cargo opening nearly 5 feet across.

BEL AIR 2-DOOR SEDAN, like all '61 Chevrolets, brings you Body by Fisher newness—more front seat leg room.

### County Line Road Span Being Rebuilt Larger

BRISTOL, Wis. — County Line road (Kenosha county trunk WG) near the Illinois state line will be closed to traffic for about two more weeks while a bridge is being constructed to help prevent floods in the area.

Ryan Construction Co. of Janesville has the contract for this bridge job and another one on county trunk CJ (Britton road), both of which roads are in the Dutch Gap area of Bristol Township.

The span on the Britton road will not be constructed until after that on the State Line road is completed, county highway commissioners reported. This will prevent a possible traffic tie up in the Gay area.

Residents of the area have complained that existing small bridges back up excessive surface water on farm fields during the early summer months.

### K of O Breakfast Set

A pancake breakfast will be served in St. Peter's school cafeteria, Antioch, from 7 a.m. to noon, Sunday, Oct. 16, sponsored by St. Peter's of Antioch council no. 3800, Knights of Columbus.

TWO ANTIOCH RESIDENTS were among 25 businessmen who have entered the Industrial Management Institute program at Lake Forest college this fall. They are David D. Hunsaker (left) of route 1 (Grass Lake road) and James V. Cheetham (right) of 626 West North avenue. Hunsaker is manager of the sales department of Frank G. Hough company, while Cheetham is process control supervisor for Alfa Chemical Manufacturing Co. (Deerfield works). A Lake Villa resident, Leonard J. Mattson of route 4 is also attending but a picture of him was not available. Mattson is service engineer with the Frank G. Hough Company.

### Land Bank Association Annual Meeting Oct. 8

An interesting program is expected to attract more than 100 farmers from Lake, McHenry and Boone counties to Woodstock Saturday, October 8, for the annual stockholders' meeting of the Federal Land Bank Association of Woodstock.

It will be held in the Westwood school, starting at 11:30 a.m. Dinner will be served.

Two directors will be elected for three-year terms, and Ray Timmons, manager, will present the annual report, affording members an opportunity to learn about the progress, operations and plans of their association.

Principal speaker will be Walter H. Droste, president of the Federal Land Bank of St. Louis.

Entertainment will feature Nancy Mathieson, vocalist, from Harvard.

## NEW '61 CHEVY CORVAIR

More space . . .  
more spunk  
and wagons, too!

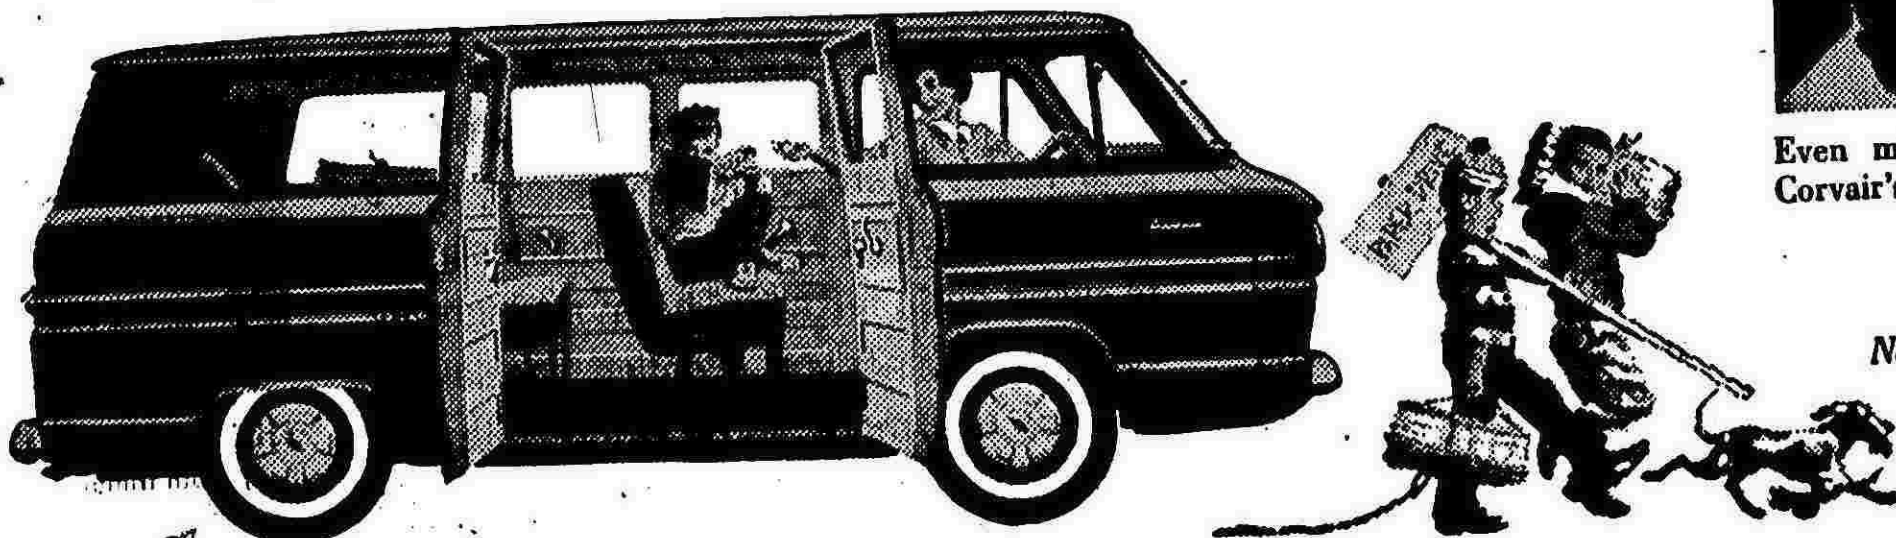

The newest car in America: the CORVAIR 700 LAKEWOOD 4-DOOR STATION WAGON.

CORVAIR 700 CLUB COUPE. Like all coupes and sedans it has a longer range fuel tank.

CORVAIR 700 4-DOOR SEDAN. Provisions for heating ducts are built right into its body by Fisher.

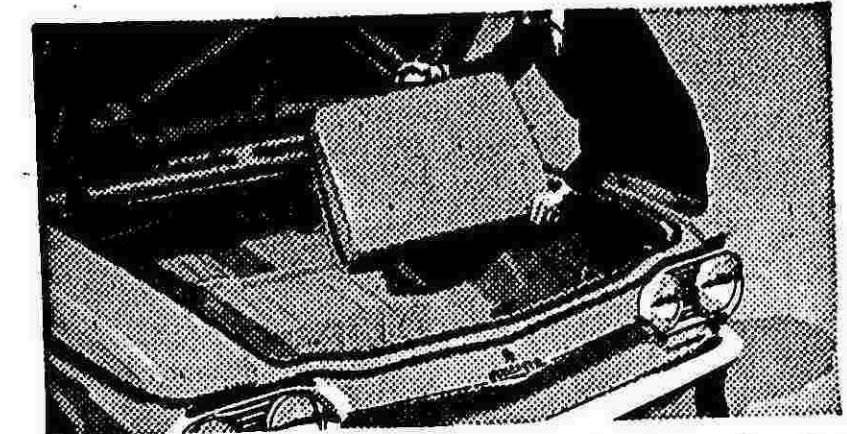

Now in production—the GREENBRIER SPORTS WAGON with up to twice as much room for people and things as ordinary wagons (shown with optional at-extra-cost third seat in position).

Here's the new Chevy Corvair for '61 with a complete line of complete thrift cars.

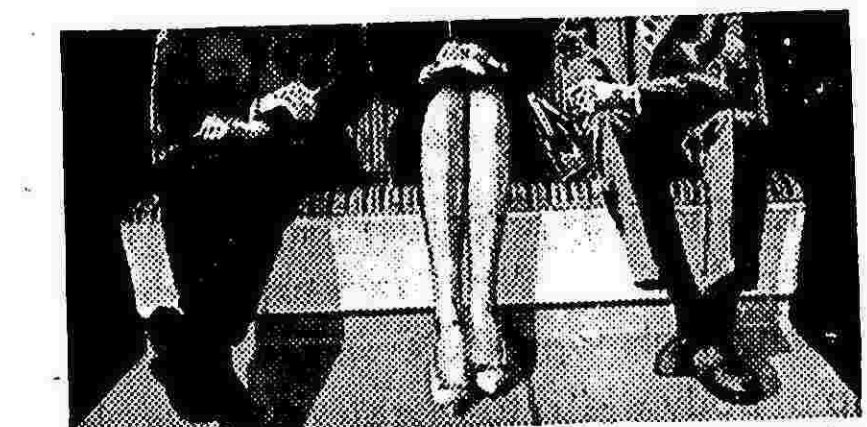

To start with, every Corvair has a budget-pleasing price tag. And Corvair goes on from there to save you even more. With extra miles per gallon . . . quicker-than-ever cold-start warmup so you start saving sooner . . . a new extra-cost optional heater that warms everybody evenly. Riding along with this extra economy: more room inside for you, more room up front for your luggage (sedans and coupes have nearly 12% more usable trunk space).

And our new wagons? You'll love them—think they're the greatest thing for families since houses. The Lakewood Station Wagon does a man-sized job with cargo, up to 68 cubic feet of it. The Greenbrier Sports Wagon you're going to have to see—it gives you up to 175.5 cubic feet of space for you and your things. Compare that with any other U.S. wagon going!

Corvair's whole thrifty lineup gets its pep from a spunkier 145-cu.-in. air-cooled rear engine. Same rear-engine traction, same smooth 4-wheel independent-suspension ride. See the polished and refined 1961 Corvair first chance you get at your Chevrolet dealer's.

Spare tire is in the rear in coupes and sedans—leaving more luggage space up front.

Even middle-seat passengers sit pretty, thanks to Corvair's practically flat floor.

## Illinois Bell Tells of New Device To Help Persons Unable to Speak

A new voice for the voiceless has just been introduced by the Bell Telephone System, according to Don Hood, Illinois Bell manager in Antioch.

"Some 20,000 persons in the United States are without the power of speech as a result of paralysis or surgical removal of the larynx and must depend either on esophageal speech or an artificial larynx in order to talk," Hood said.

The new device, an electronic larynx, will be made available on a non-profit basis by Bell Telephone Companies.

It resembles a streamlined electric shaver, contoured to fit the hand and designed to be held against the outside of the throat while being operated.

It transmits sound waves into the throat cavity replacing those normally produced by air passing over the vocal cords.

**SPEECH** is produced by forming words with the lips and tongue just as in normal conversation.

"Persons with speech handicaps have learned to use the instrument with a minimum of training and difficulty," Hood said.

The electronic larynx is produced in two models. One is high-pitched to simulate the female voice. The other has a lower pitch for men.

Both are provided with a finger control which enables the user to vary the pitch of his voice over a half-octave range in order to produce speech of considerable intelligibility and naturalness.

Speech volume is equivalent to a normal talker speaking at a conversational level.

**THE DEVICE** employs Bell transistors. It is powered by self-contained mercury batteries of a type obtainable at any radio store.

Battery life ranges up to several months, depending on the amount of use.

The instrument was developed by Bell Telephone laboratories. Suggestions were contributed by medical authorities, particularly the National Hospital for Speech Disorders, and by artificial larynx users themselves.

It is made by Western Electric Company, manufacturing and supplying unit of the Bell System.

## Bazaar, Supper Stated At Bristol October 13

BRISTOL, Wis.—Coming events for the Women's Society of Christian Service at the Bristol Methodist church include its annual bazaar and supper Thursday evening, October 13, and a rummage sale on October 22.

The bazaar is scheduled to last from 3 to 8 p.m. and a cafeteria supper will be held from 5 to 7 p.m.

The rummage sale will be held from 9 a.m. to 12 noon. Items for this are to be left at the church hall by Friday, October 21.

## 'Effective Prayer' Will Be Talk Topic

"What Is Effective Prayer" will be topic for discussion on radio station WAIT at 9 a.m. Sunday, October 9, presented by the First Church of Christ Scientist, including the Antioch church.

A woman from Oak Park, Ill., will tell of her own healing through prayer, based on spiritual understanding of God, of a large tumor.

larynx can be obtained at any Bell Telephone business office. It will be made available to the public on a first-come, first-served basis," Hood said.

## Police Officers In Lindenhurst

**THE '61 PONTIAC IS OUT TODAY!**

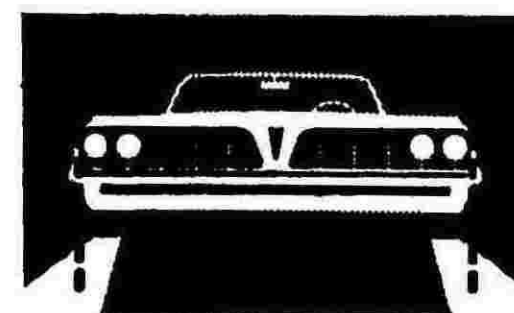

**It's All Pontiac!  
.....  
on a new Wide-Track!**

**New track-to-body proportion!** The track is the width between the wheels. Pontiac is the only Wide-Track car. Body width is reduced, shaving side overhang, balancing more weight between the wheels. Best relationship of body width to wheel width ever tailored. Lean and sway are ancient history.

**Announcing the new Pontiac Trophy V-8 Engine!** We've improved the engine the experts said was perfect. New fuel induction system saves gas by using more air in the gasoline mixture. This makes the engine breathe more efficiently, giving you better acceleration. Eleven versions to choose from. Horsepowers range from 215 to 348. For best economy, specify the Trophy Economy V-8. Its lower compression ratio lets you use regular gas.

**More headroom, legroom, footroom for greater comfort!** You'll take great comfort in the extra roominess we've built into the '61 Pontiac. Seats are higher, yet there's more clearance beneath the steering wheel and more headroom over your head. There is more legroom, more footroom. Doors are wider and designed to swing open farther. The more highway you put behind you (Pontiac specializes in this) the more you'll appreciate the new room that's all around you in this sleek new '61.

**THE ONLY WIDE-TRACK CAR!**  
Body width trimmed to reduce side overhang. More weight balanced between the wheels. No other car hugs the road with such sure-footed stability and precision.

ISN'T THIS YOUR BIG YEAR FOR A WIDE-TRACK PONTIAC? IT'S ALL PONTIAC!

## Buena Park Folks Enjoy a Picnic

LAKE VILLA — Residents of Buena Park, located on Columbia Bay, recently held a picnic for themselves and guests, at the private park and beach which is a part of the subdivision.

One of the purposes of the gathering was to better acquaint all of the residents with each other, and on this score, the picnic was a "sure success."

Everyone cooperated to provide food and tables and chairs and a good time was had by all who attended, leaders said.

The picnic followed the annual election of officers of the Buena Park association which was held at the residence of Henry Ballitz.

The following officers were elected and installed: President, Michael J. Rotchford; secretary, Tess Ballitz; custodian, Henry Ballitz.

A board of managers was elected to office to handle problems which confront the subdivision. The board consists of the board individuals as well as Oscar Lumby and Russell Reeves.

The picnic was such a success that it is planned to make the affair a semi-annual one to be held in early spring and late summer.

## Banquet Felling Kerner Scheduled for Monday

Otto Kerner, Democratic candidate for governor, will be introduced by Mrs. Warren Potter, Oak Lawn, prominent Illinois club woman, at the Suburban Citizens for Kerner banquet at the Elmhurst Country club Monday, October 10.

Mrs. Potter, a Republican, previously had announced her support of Judge Kerner for governor in the November 8 election.

Chairman of the banquet is Charles Borsom, Hinsdale, formerly a lifelong Republican. Vice chairmen are: Richard Bertsch, Arlington Heights, and Charles C. Donovan, Chicago Heights.

Borsom, who expects more than 3000 persons to attend the dinner, said its appeal is to "all citizens who put good government ahead of partial considerations."

He said independents, Republicans and Democrats are working together for the election of Kerner.

## Coming Events Listed For Antioch HI School

Among coming events at Antioch Township high school late in October and early November will be the following:

October 25—High school PTA executive board meeting at Elmer Eberman home, 7:30 p.m.

October 29—PTA-sponsored Halloween dance, open to the public, 8:30 p.m. in gym.

November 1—Antioch High Teachers' association meeting, 3 p.m.

November 2—Regular high school PTA meeting, 8 p.m. Prof. Rickert of Lake Forest college will speak on his tour of Russia last summer.

## RAMBLER ANNOUNCES STRONGEST GUARANTEE IN AUTO HISTORY

### 1 LIFETIME GUARANTEE ON NEW CERAMIC-ARMORED MUFFLER AND TAIL-PIPE STANDARD ON ALL '61 MODELS

Born of space-age developments, Rambler announces on all 1961 models a new Ceramic-Armored muffler and tail-pipe guaranteed against defects for the lifetime of the car while in the hands of the original owner. This covers total replacement cost including parts and labor. Every '61 Rambler muffler and tail-pipe is completely covered with a special ceramic coating—similar to that used in rockets and missiles—to give lasting protection against rust and corrosion caused by water, salt and acids. Another Rambler first!

### 2 12-MONTH, 12,000-MILE WARRANTY EXTENDED TO ALL NEW RAMBLER OWNERS

Now Rambler extends to all new Rambler owners its comprehensive full-year or 12,000-mile warranty, whichever occurs first. In fact, this liberal warranty, announced to dealers more than a year ago, also covers total replacement cost including parts and labor. It applies to all 1961 Rambler models and to 1960 Ramblers still within the warranty period. The normal industry warranty covers only 90 days or 4,000 miles.

## Pack Meeting Sees Movie, Award Giving

By Mrs. Pearl Kapell

CHANNEL LAKE—Cub Scouts of Pack 88 had a pack meeting at the school Friday night, September 30, with a good turnout of parents.

Bob Martin of Grayslake showed a movie for the parents, "The Meaning of Cub Scouting," explaining what is expected of both the parents and the Cubs and the purpose of the organization.

During the film, the Cubs played games in a separate room under the direction of Den Chiefs Cal Trussell and Terry Dowell.

Cubmaster John Eckert presented awards the boys have earned as follows:

Denner's Stripes, Craig Patterson and Ted Soby; assistant denner's stripes, Bruce McKinney and Mark McKinney; golden arrows, Bud Harris, Craig Patterson and Bob Lemke.

Also a silver arrow was presented to Jimmy Ward and Sam Harris, and two silver arrows to Bob Lemke, and one-year pins went to Sam and Bud Harris and Bob Lemke.

Richard Lebowski earned a three-year pin and a Webelos badge, and was presented with his graduation certificate to the Boy Scouts by Scoutmaster Ray Atwood.

Bob Lemke received his 50th anniversary award, earned also by Doug and Tom Runyard, who were not present to receive theirs.

Jubilee awards went to Guy and Tim Trussell, Craig Patterson, Dennis McCarthy, Raymond Frank, and Marty Peters.

Bobcat pins were presented by Bob Martin to John Eckert, Jr., Tom Jacobs and Danny Kutz.

Refreshments were served by the mothers of Den 2 boys.

Reservations for the event were to be made with Mrs. Clarence Zellen of 2814-63rd Street, Kenosha, before Wednesday, October 5.

## Antioch Hi Notes

By Karen Lightsey  
Antioch High Reporter

The tables turned last week when the usual 3:20 rush at the north end of the campus was transferred to the south campus drive.

Students driving cars to school were asked to move them to the south campus parking area during their lunch hours because a crew of workmen were scheduled to begin oiling the north campus parking lot that afternoon.

Word has it that the "A" club is planning to return to life as an active organization at Antioch high after functioning as an honorary society for lettermen in the past.

The new president, Les Herbst, has called several meetings in the last few weeks, and plans for fundraising activities are under way.

Just what the boys have in mind I don't know, but we can expect to see some real action from the "A" club in the near future.

The student council sponsored a professional assembly on "Archeology" last Thursday in the auditorium. Stuart Strever, the guest speaker, gave students a brief history of his work and showed slides taken on his recent expeditions in the State of Illinois.

Strever explained that the members of his staff often include teenagers, and he invited students to contact him if they were interested in joining his staff next summer.

Motorists passing Antioch high on last Friday morning were probably surprised to see the entire student body of the school assembled on the front lawn.

For these astonished travelers I would like to explain that students were participating in a fire drill in which the entire building was cleared.

Classes held elections last week to name members of their executive boards. Voting was held in the cafeteria.

Executive boards are composed of 25 representatives from each class who are called upon to make arrangements and render decisions on questions involving their particular classes.

These newly elected groups will

## Oakland School PTA Open House

Oakland Grade school PTA conducted "open house" for parents and others interested in the school and its work at the school Monday evening.

During a brief business session members agreed to have a contest for PTA memberships with three prizes going to the first three rooms in the school that have 100 per cent or the nearest to it by the December 1 deadline.

Walter Soderman, seventh grade teacher, explained the Illinois bond issue for universities. This will be on a separate ballot for the November 8 election. Proceeds from the bond issue would go to Illinois state colleges.

The Oakland school PTA meeting November 7 will be in keeping with the "Education Week" theme. Robert Chandler announced.

Mrs. Marion Harden, Antioch Township librarian, will give a talk and have books on display that are available at the township library.

Refreshments Monday evening were in charge of the mothers of third grade pupils with Mrs. Walter Tammen in charge, assisted by Mrs. George Sterbenz and Mrs. E. H. Chandler.

be meeting next week to nominate girls from their classes who will be members of the queen's court in the Homecoming activities.

These are scheduled for the week-end of October 14 and 15.

A torrential cloudburst was an uninvited guest at Saturday night's football game with Warren high school. Spectators huddled under blankets and umbrellas to watch the Sequoias bow to Warren with a final score of 33-0.

A "beat-nik Bop" was held in the Girls' gym Saturday after the game. I doubt if there were any genuine beatniks present, but many of the students went along with the theme and dressed in a reasonable facsimile of hippie attire.

A novelty, the "Beatnik Bop", to say the least!

## Added Fee Not Needed For License Numbers

SPRINGFIELD — No additional fee is required or authorized for a motorist to request a certain automobile license number, Secretary of State Charles F. Carpenter said.

Any person or agency claiming to be able to obtain desired numbers for clients for an additional fee is misrepresenting the situation, he said.

The Illinois motor vehicle law establishes the legal fee for each class of cars according to horsepower.

It makes no provision for the payment of any extra amount to obtain a certain desired number, except for amateur radio operators, who may get plates bearing their call letters upon payment of an additional \$3.

Numbers are assigned only by the Secretary of State's office, and then upon payment of only the legally required fee.

Remittance agents are authorized by law to charge a fee of \$1 for the service they provide in handling applications, but this bears no relationship to assignment of license numbers, Carpenter stated.

"Hi Mabel! Just called to tell you about the new shoe store. I had coffee with them this morning and it's really something. It's called Shoes by George and it's all new, air conditioned and beautifully decorated.

"But the best part is their all new for Fall Shoes."

"Women's shoes start at only \$6.99 and they have a terrific selection of Naturalizers, Life Strides, British Trotters and others. And in the hard to fit sizes too! Why they have sizes from 4 to 11 and widths from AAAA to EE. Can you imagine? Mother, will love that double E width.

"I know where I'm buying the kids shoes from now on. That new store carries a full line of Weatherbird and Child Life children shoes. You've seen Weatherbirds advertised on T.V. haven't you Mabel, and Child Life shoes have been commended by Parents Magazine and are recommended by loads of doctors including Dr. Spock. Those shoes have looks, they have fit, and they last.

"I told Fred at lunch today to march right up to Shoes by George and get himself a new pair of shoes. He has a long, narrow foot, but they can fit him and in a comfortable, handsome shoe at that. Fred likes his comfort, you know.

"Well Mabel you should just go out to Shoes by George. It's more fun and they are so friendly and helpful. You'll love the styles, the prices, and

## Korean Bonus Checks In Mail by October 7

Processing of all regular claims for the Illinois Korean Veterans bonus has been completed and checks will be distributed to the claimants by October 7, Governor William G. Stratton has announced. The commission still has 6,542 incomplete or irregular claims to process.

The governor said 91,357 claims have been received since applications became available November 2, 1959. Approved are 84,815 claims totaling \$9,805,504.

The 1959 General Assembly appropriated \$10,000,000 to pay the bonus, the funds to be raised by a one cent cigarette tax. The law further provided that when the amount appropriated was collected, the tax was to be removed.

The tax was imposed August 1, 1959, and removed by Governor Stratton on June 8, 1960.

## Big GOP Rally At Waukegan to Hear Hawaiian

The son of a Chinese immigrant field worker in Hawaii who climbed to wealth and political eminence will speak at a major political rally sponsored by the Lake County Republican central committee in the West Campus auditorium of Waukegan high school at 8:30 p.m. Friday, October 7.

Hiram Fong, U. S. senator from Hawaii, followed the classic American success pattern by overcoming a humble beginning to achieve substantial wealth and political influence through hard work and study.

The seventh of 11 children of a \$12 a month worker in the Hawaiian sugar cane fields, young Fong sold newspapers, shined shoes, and cad-dled to bolster the family income. At the same time he worked to get an education, eventually graduating from the Harvard School of Law.

After passing the bar examination in the Territory of Hawaii, the youthful future senator opened a multi-racial law firm in the Pacific Island melting-pot and then became interested in politics.

As his law business prospered he branched out into other fields and today he is the president of six flourishing businesses in the booming 50th state.

Although proud of his Chinese ancestry Fong dropped his Chinese given name of Yau Jie and took the name Hiram out of admiration for an early Congregational missionary to Hawaii, Hiram Bingham.

His appearance in Lake county is the first of four major political rallies to be sponsored by the central committee during the campaign was arranged by William H. Rentschler, of Lake Forest, who is on the Nixon campaign committee. Rentschler will escort Senator Fong to the auditorium and will introduce him.

The address has been scheduled for 8:30 p.m. to give people a chance to watch the second in the series of presidential campaign debates on television and still get out for the "live" program.

## Big GOP Event Slated Tuesday To Hear Judd

KENOSHA—A full day of Republican activities has been planned by the Kenosha county chairman, Fred Hartley, for Tuesday, October 11, when Congressman Walter Judd of Minnesota comes to this first district city.

The missionary doctor and minister will be seeking to aid Henry Schadeberg, Republican nominee for Congress in this district.

A complete schedule of political activity, which borders on the unusual, will highlight the day.

Judd will arrive at the Milwaukee Mitchell airport at 9:10 a.m., and will be interviewed by reporters from the Milwaukee area.

A dinner will be served at the Eagles club with an address by Judd scheduled at 2 p.m. A short address will be given by Schadeberg.

All Republican state candidates and their wives will be introduced to an audience from 500-600. Former Lieutenant Governor Warren Knowles will be the master of ceremonies.

All the candidates will then go to various manufacturing plants and meet with the men on the lines. As an example—Schadeberg has been assigned the Snap-On Tools Corporation. Meanwhile the wives will have teas throughout the city.

Ivan Kindschi and George Thompson, candidate for attorney general, will tour the Western Kenosha county communities with Russell Olson, candidate for the assembly.

Tickets for the Judd noon dinner can be obtained from any prominent Republican.

## Announce Homecoming Queen Friday Evening

INGLESIDE—The name of the winner in an election to choose the Homecoming queen at Grant high school will be made at crowning ceremonies Friday, October 7.

Four senior girls have been named by Grant high students as candidates. They are Kathryn Doherty, Jessica Gross, Marilee Kirely and Patricia Miller.

The election to choose Her Majesty was held last Thursday.

The queen will reign over the bonfire festivities this week Friday evening, the Homecoming parade on Saturday and she and her maids of honor will be presented at the Homecoming football game Saturday.

She also will reign at a dance following the game Saturday evening.

## ATHS to Host Meeting Of NW School Leaders

Antioch Township high school will be the scene of a meeting of Northwest conference school principals and music directors Tuesday afternoon, October 11. A dinner will be held for those attending in the evening.

The library at ATHS are to meet at 4 p.m. Dinner is booked for 5:30 p.m.

This week Tuesday afternoon the Antioch High School Teacher association met at 3 o'clock.

The Conrad Hilton hotel in Chicago will be the setting for a meeting of the Tri-State School board at 4:30 p.m. Monday, October 10.

## Remind Auto Drivers

SPRINGFIELD — In order to achieve greater coordination in the state's traffic safety program, motorists are being asked to list their driver license number on the application for 1961 license plates.

This additional data will materially speed up identification of motor vehicles, and motor vehicle operators.

## Sherry Sadilek Named Language Club Prexy

INGLESIDE—The Grant High school Foreign Language club has elected Sherry Sadilek as its 1960-61 president.

James Cross was chosen vice-president; secretary for the second consecutive year will be James Norris, and Kathryn Tierney will serve as treasurer.

The business meeting that followed the election was devoted entirely to a discussion of plans for building a Homecoming float.

Among the club's other activities for the year will be the annual Spanish Christmas party and the Roman banquet.

## Central High Students Place High in Exams

PADDUCK LAKE, Wis.—Two Central high school students were among eight high school pupils who have been named semi-finalists in the 1960-61 national merit scholarship competition.

Central students are Martha A. Eberle and Kathleen M. Kelly.

They will take another rigorous examination—the three hour test of the college entrance examination board—at testing centers December 2.

Those whose scores then substantiate their performance on the qualifying exam and are endorsed by their high schools, will become competition finalists.

## October 28 Date For Grade Slips At Antioch High
